

Our Tea Selection Offers a Modern Twist To An Ancient Tradition

Sapphire Earl Grey

Our finest high-grade Ceylon Black Tea, and whole blue Malva flowers with tantalising aromas of Fresh bergamot to whisk you away to lands far away.

English Breakfast

Our finest, high-grade rich Ceylon Black Tea hasn't changed much over the years... why, you ask? Well, because it's just so delicious.

Green Tea

Refreshing, cleansing and packed with antioxidants, our Green Tea is prepared using traditional Chinese methods, helping it to remain a true classic.

Persian Pomegranate

Capturing the unique flavour of one of the world's oldest fruits, Persian Pomegranate delivers a succulent herbal brew. This fruit has exceptionally high levels of antioxidants.

Egyptian Mint

Dating back to the time of the Pharaoh's, Egyptian Mint is a hearty caffeine free peppermint tea characterised as refreshing, cooling and flavourful. Well rounded with no bitter aftertaste, Egyptian Mint is perfect for cleansing the palate and re-energising the body after a meal.

Citrus Chamomile

The calming qualities of Chamomile have been known since the Greco-Roman times. This Citrus tea features hand sorted whole Chamomiles blended with the equally soothing and stress relieving properties of lemongrass.

Darjeeling

India's finest organic tea, grown on the slopes of the Himalayas, is often referred to as the Champagne of Teas. The exceptional character and exquisite bouquet of rare Darjeeling tea will delight any palate.

Spiced Chai

Spiced Chai is a truly authentic, traditional chai in the finest Indian tradition. Chai offers an exceptionally well balanced tea of the finest quality.

Wild Encounter

Wild Encounter is a truly unique caffeine free blend of hibiscus flowers and exotic dried fruits that produces a sweet tart fruit infusion to die for. It contains: Hibiscus flowers, apple, rosehips, elderberries, strawberries, kiwi, passion fruit, raspberries and more...
